I have indicated in pencil the modifications necessary in the draft order -

In the order sanctioning the extension of Mr. Campbell's service by ~~X~~ Con of 3-4-1913, there is no specific mention as to whether his pay shd be regulated by the C.S.R or the M.S.R., thus in the previous order the C.S.R. was specifically mentioned -

Even assuming that the M.S.R applies in his case, the present case has also disposed of under the C.S.R. For it is under the analogy of these rules that double the rate of D/a and conveyance are admissible and can be sanctioned - So the max. rates in the D/a and mileage shd also apply - Hence
